PRESIDENT'S MESSAGE

We just finished a contest in which we offered a \$25.00 Dick's Sporting Goods Store gift card for the top three meeting suggestions. We received NO suggestions. Seems like we can't even give \$25.00 away. Stan Hollander CMS and Rich Bruno have done a great job finding and setting up speakers for meetings and seminars. However, as always, your suggestions are appreciated.

You never know when an accident may occur on the job. *On the job safety and emergency care* should be a concern for all of us. Our April 10th meeting is on "Job-site safety and emergency care for the HVAC Professional". Be there to pick up some new ideas or just a refresher on best practices.

Do not miss out on our May 29th Seminar on Heat Pumps. A flyer is included with this meeting notice. Registration has begun, so do not delay.

Join us at our final two meetings before we break for the summer. Do not miss the opportunity to learn and network with fellow technicians.
