PRESIDENT'S MESSAGE

This pandemic has certainly changed the way we conduct our business. We wear masks to protect our customers and ourselves. However, are we continuing to educate ourselves? Training by manufacturers has been greatly reduced. I hope you have taken advantage of our chapter's ZOOM training sessions. We have been conducting ZOOM training instead of our regular monthly meetings. One effect of the pandemic has been the opportunity to make add-on sales. Many of our ZOOM meetings illustrated these newest products. For example, the zoning of systems using wireless dampers on air outlets. Or the old standby of offering cleaning and filtration with improved ability to remove viruses from the airstream. I hope you took advantage of these training sessions. We try to offer the information and tools to improve your knowledge and ability—*the rest is up to you.*

Stay safe and see you on Zoom.
