PRESIDENT'S MESSAGE

The vaccine is becoming more available. I am asking our membership to have themselves vaccinated as soon as they are eligible. By doing so, you will make a **LARGE** contribution in defeating this virus. We are all free to make our own decision. This vaccine will not make COVID go away. It will make it hard for the virus to find someone to infect—YOU (and, therefore, everyone around you).

As I mentioned last month, I want to remind everyone that Riccardo's has closed due to COVID-19. If you have any suggestions as to where we can meet, once in person meetings resume, please let me know. In the meanwhile, I hope to see you at our monthly educational Zoom meetings.

Please continue to wear your mask, wash your hands and socially distance.
