PRESIDENT'S MESSAGE

The main reason this chapter exists is to help our members become better technicians. We do this by keeping them up to date on the latest procedures, techniques, products and equipment. Many of our presentations contain suggested products to increase our sales. Unfortunately a great number of our members have not participated in these *Zoom* sessions. Rich Bruno has done a great - no, fantastic - job in getting speakers. Those who participated in these sessions have come away with a great deal of helpful information. Are there topics you would like to learn about? If so, email me at president@metronyrses.org and I will make sure Rich gets your request. We only have two more meetings this season, so please let us know NOW.

Stay safe and see you on Zoom.

We are actively looking for a new MEETING PLACE—Riccardo's has closed. If you have any suggestions for a new venue, please call us with information.

Please be assured that we will resume regular in-person programming, as soon as it is safe to do so.

You and your family's health and well being are our primary concerns.

We can't wait, either.

STAY TUNED!
