PRESIDENT'S MESSAGE

HAPPY NEW YEAR

Your Board of Directors joins me in wishing all of you a Happy New Year. We hope you have had a safe and happy holiday season.

The arrival of a vaccine is great news for everyone. However, it will take several months before everybody is able to get it. We will continue to evaluate the possibility of having in person meetings, again. However, the safety of our members is of primary importance. Until we are comfortable with safety conditions, we will continue to present our educational meetings on Zoom. Don't miss this month's presentation. The Zoom link is on the first page of this meeting notice.

As always we urge you to continue social distancing, wearing a mask and washing your hands frequently. This is what we must do, vaccine or no vaccine, until the virus is under control.
