PRESIDENT'S MESSAGE

We are continuing our monthly Educational ZOOM meetings. We try to present topics that are beneficial to our members. In addition to educational topics it is important to know what is going on around us. At our last ZOOM meeting, Lori Schiavo, Director of Operations at RSES brought us up to date on the happenings at RSES International. She also covered the phaseout of R410A, a topic of importance to all of us.

This month Ken Resnick from Rathe Associates will be talking to us about Laars Boilers (with the newest technology). As we enter the heating season this is a very timely topic.

As I said last month, Ken is doing this presentation on his own time. His interest is in educating you, the technician. I hope you will join us, and take advantage of this educational opportunity.

Stay safe and see you on Zoom.
