PRESIDENT'S MESSAGE

Our September meeting got us off to a good start as we learned all about pumps. The in-person meeting went well and we are hoping for increased turnout at our October 11th meeting, as members become more comfortable meeting in person, again.

As we return to more normal operations, we are giving our first EDUCATIONAL SEMINAR in several years. **SAVE THE DATE—OCTOBER 14, 2023**. You should have received an announcement in your email. We are including the announcement with this meeting notice. I hope you will support your chapter by attending. Sign up today as space is limited. Please spread the word to help us make this a success.

If space is still available you can sign up at our October 11th meeting. However, cash payment will be required at that time.

We recently inquired to International headquarters about many members not

receiving their new membership cards. Below is their response:

“We will get the cards out very soon, we had to wait a little longer for our card stock, it was on a major back order. But we just received our order and will begin printing membership cards.”

Stay safe and healthy.
